

# MARCO CARLOTTO

[www.marcocarlotto.com](http://www.marcocarlotto.com)

Highly motivated and easily adaptable masters level student looking for a role in the games industry.

## TECHNICAL SKILLS

Familiar software include:

- Unreal Engine 4
- Unity
- Processing 3
- 3DS Max
- Adobe Creative Cloud
- Microsoft Word, PP and Excel

Experience with multiple programming languages, such as C#, Python and Java

## OTHER SKILLS AND ACHIEVEMENTS

- I can adapt very easily and immerse myself in different cultures, as I have lived in 3 different countries in my life.
- I am fluent in Portuguese and English. I can understand basic Spanish and simple Japanese.
- I have been elected Vice-President twice and President in a University Society.
- During middle-school, I won a newspaper contest and the cartoon I made was published.

## EDUCATION

### (MA) GAME DEVELOPMENT • UNIVERSITY OF PORTSMOUTH • SEPTEMBER 2021 – OCTOBER 2022

Project based Masters. This allowed me to develop more relevant game design and programming skills while working under people with professional experience and getting feedback from ex-industry professionals.

### BSc (HONS) CREATIVE MEDIA TECHNOLOGIES • UNIVERSITY OF PORTSMOUTH • SEPTEMBER 2018 – JUNE 2021 (RESULT 2:1)

Studied different disciplines of media creation, focusing in coding and gaming.

Some modules include:

- Creative Code Practice: First
- Introduction to Computer Graphis: First
- Introduction to Animation (including 3D modelling): First
- Virtual Reality Development: First
- Artificial Intelligence: First

## WORK EXPERIENCE

### CREW MEMBER AND CUSTOMER EXPERIENCE • McDONALD'S • NOV 2019 - PRESENT

High pressure work in a very fast paced environment. Developed communication and teamwork skills

### CLEANER • EQUITY • MARCH 2019 – OCT 2019

Cleaned a coffee shop. Developed an eye for detail skills

### CARE ASSISTANT • ELITE CARE SERVICES • NOV 2018 – SEPT 2019

I worked in this vital position and learnt more about responsibility and professional ethics.

## INTERESTS

My main interest is gaming. Most of my free time is spent either playing games or watching someone else playing them on streams. The games I am mainly interested in now are Dead by Daylight, Resident Evil Village and Zelda: Breath of the Wild.

I also really like music, mainly old rock songs like Elvis Presley and Queen. I enjoy watching and playing sports, mainly football.
